

URDANETA CITY UNIVERSITY CONDUCTS REGULAR ENERGY REVIEWS TO REDUCE WASTAGE AND PROMOTE EFFICIENCY

URDANETA CITY UNIVERSITY (UCU) REMAINS STEADFAST IN ITS COMMITMENT TO SUSTAINABILITY AND ENVIRONMENTAL RESPONSIBILITY BY CONDUCTING REGULAR ENERGY REVIEWS AIMED AT IDENTIFYING AREAS WHERE ENERGY WASTAGE IS HIGHEST.

THIS INITIATIVE DIRECTLY SUPPORTS SUSTAINABLE DEVELOPMENT GOAL (SDG) 7: AFFORDABLE AND CLEAN ENERGY AND SDG 13: CLIMATE ACTION, AS THE UNIVERSITY STRIVES TO PROMOTE EFFICIENT ENERGY USE AND REDUCE ITS ENVIRONMENTAL FOOTPRINT.

THROUGH SYSTEMATIC ENERGY ASSESSMENTS, UCU EVALUATES THE PERFORMANCE OF ITS FACILITIES, EQUIPMENT, AND DAILY OPERATIONS TO DETERMINE OPPORTUNITIES FOR IMPROVEMENT. THESE REVIEWS HELP THE UNIVERSITY IDENTIFY INEFFICIENT SYSTEMS, RECOMMEND UPGRADES, AND DEVELOP STRATEGIES TO OPTIMIZE ENERGY USE ACROSS ALL DEPARTMENTS AND BUILDINGS.

AS PART OF THIS PROCESS, UCU HAS INTRODUCED MEASURES SUCH AS REPLACING OUTDATED LIGHTING AND ELECTRICAL SYSTEMS, IMPLEMENTING SMART ENERGY CONTROLS, AND ENHANCING BUILDING INSULATION AND VENTILATION TO LOWER ENERGY DEMAND. THE UNIVERSITY ALSO PROMOTES AWARENESS CAMPAIGNS ENCOURAGING STUDENTS AND STAFF TO ADOPT ENERGY-SAVING HABITS AND SUPPORT SUSTAINABLE CAMPUS OPERATIONS.

BY CONSISTENTLY REVIEWING AND IMPROVING ITS ENERGY PERFORMANCE, URDANETA CITY UNIVERSITY NOT ONLY REDUCES UNNECESSARY CONSUMPTION BUT ALSO REINFORCES ITS ROLE AS A MODEL INSTITUTION FOR SUSTAINABLE EDUCATION AND ENVIRONMENTAL STEWARDSHIP. THESE EFFORTS EXEMPLIFY UCU'S DEDICATION TO ACHIEVING GLOBAL CLIMATE AND ENERGY GOALS WHILE ENSURING A GREENER AND MORE SUSTAINABLE CAMPUS COMMUNITY.

7 AFFORDABLE AND
CLEAN ENERGY
