

## URDANETA CITY UNIVERSITY STRENGTHENS PARTNERSHIP WITH VICENTE TAACA MEMORIAL ELEMENTARY SCHOOL IN PREPARATION FOR AFTER-CARE MANAGEMENT TRAINING

Urdaneta City, Philippines — April 4, 2024 — As part of its continuing commitment to inclusive education and sustainable community engagement, Urdaneta City University (UCU) held a coordination meeting with Mdm. Nilda Ramos, School Principal of Vicente Taaca Memorial Elementary School, and PTA President Mdm. Jocelyn Soller, in preparation for the “Training on After-Care Management of Children with Cognitive and Defined Behavior” scheduled on April 12, 2024.

The meeting focused on finalizing the logistics, program structure, and participant engagement for the upcoming training, ensuring that all necessary preparations were aligned with the goals of promoting understanding and support for children with cognitive and behavioral challenges. The collaboration reflects UCU’s proactive approach to fostering educational partnerships that benefit not only teachers and parents but also the wider learning community.

This initiative forms part of UCU’s broader advocacy to strengthen its dedication to the United Nations Sustainable Development Goals (UN SDGs)—particularly SDG 4: Quality Education, SDG 3: Good Health and Well-being, and SDG 17: Partnerships for the Goals. By initiating programs that address specialized educational needs, UCU aims to create a comprehensive dialogue in integrating SDG-oriented principles within its outreach and extension services.
