

UCU STUDENT COUNCIL ELECTIONS HIGHLIGHT DEMOCRATIC PARTICIPATION AND TRANSPARENCY

Urdaneta City — The **Urdaneta City University (UCU)** successfully conducted its **2023 Student Council Elections**, reflecting a strong culture of democratic engagement and student empowerment. With a remarkable **74.49% voter turnout**, the elections showcased the active participation of the student body in shaping the leadership that represents their collective voice.

The electoral process was marked by fairness, transparency, and inclusivity, ensuring that every student had the opportunity to exercise their right to vote. **John Carlo D. Pulido** emerged as the elected president, gaining the trust of the student community through a credible and peaceful election supervised by the UCU Commission on Elections.

Anchored on **Sustainable Development Goal 16: Peace, Justice, and Strong Institutions**, the UCU Student Council Elections underscored the university's commitment to nurturing accountable leadership and participatory governance—values that strengthen institutional integrity and foster a more engaged, just, and united academic community.
