

URDANETA CITY UNIVERSITY STRENGTHENS SDG COMMITMENT THROUGH COORDINATION WITH DEPED ON AFTER-CARE MANAGEMENT TRAINING FOR ADOPTED SCHOOLS

Urdaneta City, Philippines — April 20, 2024 — Reinforcing its dedication to inclusive education and community partnership, Urdaneta City University (UCU) coordinated with the Schools Division Office (SDO) of Urdaneta City regarding the approved proposal for the conduct of the training titled “After-Care Management of Children with Cognitive and Defined Behavior.” The initiative forms part of UCU’s continuing support to its 13 adopted schools, aiming to equip educators and stakeholders with strategies for managing and supporting children with special learning and behavioral needs.

Representing the university, UCU officials met with Assistant Schools Division Superintendent Mdm. Criselda Ochang to discuss the project on behalf of the Schools Division Superintendent, Dr. Aguedo Fernandez. The proposed training was highly appreciated, and UCU received assurance that the program would gain official approval before implementation.

This upcoming training demonstrates Urdaneta City University’s strong commitment to advancing the United Nations Sustainable Development Goals (UN SDGs)—particularly SDG 4: Quality Education, SDG 3: Good Health and Well-being, and SDG 17: Partnerships for the Goals. By fostering collaboration with the Department of Education and community schools, UCU ensures that its outreach programs not only address educational gaps but also create an inclusive and compassionate learning environment for all learners.
