

# URDANETA CITY UNIVERSITY STRENGTHENS ITS COMMITMENT TO CARBON MANAGEMENT AND EMISSION REDUCTION

URDANETA CITY UNIVERSITY (UCU) DEMONSTRATES ITS STRONG COMMITMENT TO ENVIRONMENTAL SUSTAINABILITY THROUGH THE IMPLEMENTATION OF A CARBON MANAGEMENT PROCESS AIMED AT REDUCING CARBON DIOXIDE (CO<sub>2</sub>) EMISSIONS ACROSS THE CAMPUS. THIS INITIATIVE SUPPORTS SUSTAINABLE DEVELOPMENT GOAL (SDG) 13: CLIMATE ACTION AND REFLECTS THE UNIVERSITY'S DEDICATION TO PROMOTING CLIMATE RESILIENCE AND SUSTAINABLE PRACTICES WITHIN ITS COMMUNITY.

UCU ACTIVELY MONITORS AND MANAGES ITS CARBON FOOTPRINT BY ADOPTING ENERGY-EFFICIENT TECHNOLOGIES, WASTE REDUCTION SYSTEMS, AND SUSTAINABLE TRANSPORTATION POLICIES. THE UNIVERSITY PROMOTES THE USE OF RENEWABLE ENERGY SOURCES, SUCH AS SOLAR POWER, AND ENCOURAGES PAPERLESS OPERATIONS, DIGITAL TRANSACTIONS, AND GREEN PROCUREMENT TO MINIMIZE UNNECESSARY RESOURCE CONSUMPTION.

IN ADDITION, THE UNIVERSITY CONDUCTS AWARENESS CAMPAIGNS AND ENVIRONMENTAL EDUCATION PROGRAMS THAT ENGAGE STUDENTS, FACULTY, AND STAFF IN COLLECTIVE EFFORTS TO REDUCE GREENHOUSE GAS EMISSIONS. INITIATIVES SUCH AS TREE PLANTING DRIVES, ENERGY CONSERVATION PROJECTS, AND WASTE SEGREGATION PROGRAMS FURTHER SUPPORT UCU'S MISSION TO CREATE A CLEANER AND GREENER CAMPUS.

THROUGH THESE ONGOING ACTIONS, URDANETA CITY UNIVERSITY UPHOLDS ITS ROLE AS A LEADER IN ENVIRONMENTAL RESPONSIBILITY, ENSURING THAT ITS OPERATIONS CONTRIBUTE TO A LOW-CARBON AND SUSTAINABLE FUTURE. THESE EFFORTS STRENGTHEN THE UNIVERSITY'S COMMITMENT TO SDG 13'S CALL FOR URGENT ACTION TO COMBAT CLIMATE CHANGE AND ITS IMPACTS.

7 AFFORDABLE AND CLEAN ENERGY
